## You've Got a Friend

When you're **down** and **troubled**  
And you need a **helping hand**  
And nothing, nothing is going right  
Close your eyes and think of me  
And soon I will be there  
To **brighten up** even your darkest night

You just **call out** my name  
And you know wherever I am  
I'll **come running** to see you again  
**Winter, spring, summer or fall**  
All you have to do is call  
And I'll be there, yeah, yeah, yeah.

You've got **a friend**

If the **sky** above you  
Should **turn dark** and full of **clouds**  
And that old north wind should begin to blow  
Keep your head **together**  
And call my name **out loud** yeah  
Soon I'll be knocking upon your door

You just **call out** my name  
And you know wherever I am  
I'll **come running** oh yes I will  
To see you again  
**Winter, spring, summer or fall**  
All you have to do is call  
And I'll be there, yeah, yeah, yeah.

**Ain't** it good to know that you've got a friend  
When people can be so **cold**  
They'll hurt you, and **desert** you  
And take your soul if you let them  
Oh yeah, but don't you let them

You just **call out** my name  
And you know wherever I am  
I'll **come running** to see you again  
**Winter, spring, summer or fall**  
All you have to do is call  
And I'll be there, yes I will.

You've got **a friend**  
You just **call out** my name  
And you know wherever I am  
I'll **come running** to see you again (oh baby don't you know)  
**Winter, spring, summer or fall**  
All you have to do is call  
Lord, I'll be there yes I will.

You've got a **friend**

Oh, you've got a **friend**

**Ain't** it good to know you've got a **friend**
